

31 March 2017

Dear Sir/Madam

UPDATE: East Perth Station Upgrade Out-of-Hours Works

To continue work on the East Perth Station upgrade, the following out-of-hours work is required:

- **Sunday 2 April to Monday 3 April 2017** between 7pm and 5am each day;
- **Tuesday 4 April to Wednesday 5 April 2017** between 7pm and 7am each day; and
- **Saturday 8 April from 7pm to Tuesday 11 April 2017 7am.**

The purpose of these night works is to:

- Build scaffold on the Indian Pacific platform to support the Public Transport Centre canopy;
- Demolish and remove part of the Public Transport Centre canopy;
- Move materials into the island corridor, between the tracks;
- Receive delivery of steel to site;
- Assemble and install steel columns and platform wall posts;
- Install overhead line equipment foundations;
- Install signals and local conduit; and
- Install services.

This work is required to take place during these hours to prevent excessive disruption to Midland Line services and ensure the safety of our passengers and the general public.

All work will follow an approved Noise Management Plan, however some noise and disturbance is unavoidable. There will also be higher-than-usual truck movements during the day and night for the delivery of construction materials. Monitors will be set up in various locations within the construction area to monitor noise levels. We apologise for these disruptions and any inconvenience they may cause.

Standard construction hours are 7am to 7pm, Monday to Saturday. During out-of-hours works if you feel there is excessive noise please contact the **Site Supervisor** directly on **0428 358 569**. This allows them to immediately review the source of the noise and if possible, put mitigation measures in place. Alternatively, for any other feedback or enquiries regarding the project, please contact Perth Stadium on 9428 1961 or email perthstadium@dsr.wa.gov.au.

The upgrade to East Perth Station is part of the Perth Stadium Transport Infrastructure project and the Public Transport Authority's program of Disability Discrimination Act (DDA) improvements.

Should you wish to take a virtual reality tour of the upgraded station, you can download the free EPSU app to your smartphone or tablet from the Google Play or Apple Store. Once downloaded, click the 'virtual reality' tab and then the map for 360-degree views of the completed station. You can also check out progress shots of construction, artist impressions and information videos.

Yours sincerely

Tony Lubicz
